

YIMS DRAMA

2019-2020 Season Newsletter

We wanted to provide updates and celebrate our accomplishments!

PERFORMANCE

The 2020 performance of Seussical Jr is postponed. The production staff proposed a summer recording session over three days, but we were not approved. We hope to be in contact with a concrete date for you soon. Note: There will not be a full performance. There will be a recording.

WEBSITE

In March, we launched a website that is exclusive to our department! The website is an exciting addition to our already growing online presence. Visit yimsdrama.com if you have not done so!

PLATINUM STAR

Jessica Vosk, who played Elphaba on Broadway in Wicked, filmed a special video to announce the Platinum Star winner, 8th grader Katie Proctor! She will be performing as Gertrude McFuzz (when we get to perform!)

RECRUITMENT

BECOME A MEMBER
OF THE
YIMS DRAMA
DEPARTMENT!

The production staff attended the open house this year to speak to families new to YIMS about the drama department! It was a highly successful event.

We held an audition workshop to teach students the "dos and don'ts" of auditioning. We also taught the students the audition song to get them more comfortable with the material.

We hope to add more recruitment strategies this fall!

SPONSORSHIP

This season, businesses and organizations had the opportunity to sponsor our program. Sponsoring us has automatic advertisement benefits as well as personalized "thank you's" from the cast and complimentary show tickets!
