Stage Right! builds a culturally engaged community through performing arts education and advocacy. We are a catalyst for personal creative expression and character development, with a focus on professionals mentoring young performers. Our diverse, multidisciplinary initiatives provide a positive and supportive environment that improves the quality of life for the communities they serve.

School for the Performing Arts

Our core classes include acting, tap, jazz, voice, ballet, and musical theatre. We have special programs for students on the spectrum and with disabilities, programs for homeschool/cyberschool students, and for the youngest - we have our Music Together® program. Our students range from birth to 18. We also offer adult classes!

New Semester Starts April 11th!

Main Stage Classes

Classes are offered in 8-week semesters, with chances to try any class for free. All classes are focused around students improving their dance, vocal, and acting technique in preparation for their involvement in Stage Right's professional season and student workshop productions. Students can take as many or as few classes as fit in their schedule.

Student Company

In addition to 6 professional mainstage productions we also present 3 full-length Student Company productions. Our 4th Semester Musical Theatre Workshop classes take their skills to the stage! Each age group (Imagination/Pre-School, Pre-teen, and Teen) presents their own, full-length, End-of-Year performance. Students must be a registered student of the Musical Theatre Workshop on Saturdays to be a part of these productions. Students can also gain unmeasurable skills in one (or both!) of our intensive Summer Camps. Camps for ages 8-18 (Pre-teens & Teens)
